

MR. DO!

EATING, THROWING OR CRUSHING.....
MR.DO! IS VERY ACTIVE!

Mr. Do!

TM

— game instructions —

- Move Mr. Do with the 4-way lever to make paths and eat cherries
- Monsters leave their nest and try to attack Mr. Do. Avoid them or kill them using the power ball or apples
- Press the push button to have Mr. Do throw his magic ball to hit the approaching monster
Or Mr. Do can move the apple to squish the monsters for a higher score
- When all monsters are out, their nest becomes "a piece of cake". But watch out! -only if Mr. Do eats the cake, the EXTRA monsters will get into the scene.
However, an extra Mr. Do is awarded if all EXTRA monsters are terminated
- After all monsters are destroyed or all cherries are eaten, the game proceeds to the next phase
- An extra play is awarded if Mr. Do gets the diamond

Monster destroyed by power ball = 500 points

Monsters crushed by apple = 1,000 points~?

Cherries = 1,000 points

Strawberry cake = 1,500 points

Here is a challenging and rewarding fun game you've been waiting for.
